

Kindly note the following objection:-

1. Synopsis or list of dates and events is not attached along with the appeal paper book.

3. The appeal is barred by limitation and a separate miscellaneous application for condonation of delay has to be filed along with the appeal. The limitation clause in the memorandum of appeal does not mention about the date of receipt of the impugned order.

10. The pages are scanned vertically which should be scanned horizontally.
11. The size of the appeal paper book has to be reduced. This is because currently the appeal has to be downloaded first and cannot be previewed directly.
12. Most of the documents in the appeal paper book are in a language other than English. Kindly translate the same in English.
13. The appeal should be filed in one single consolidated pdf which should contain all the documents.

15. The entire appeal paper book has no page numbering. Page numbering shall always be on the right hand side top corner.
